UPDATE: SAFETY & SECURITY MEASURES PLUS BOOKING & CANCELLATION POLICY

In light of the current global health situation, we want to reach out and reassure our guests that the health and wellbeing of our guests and employees is our highest priority. As such, we would like to do our best to ensure your travel safety and security, and inform you of some measures we have adopted.

IN-HOUSE

Measures taken for all those arriving at Cheong Fatt Tze- The Blue Mansion, include:

- Temperature checks
- Daily full disinfection of guests rooms, including fresh linens and towels
- Regular disinfection of public, high-touch areas such as the lobby desk, washrooms and F & B outlets (in between customers) and our back-of-house
- Spacing guests one room apart where possible, and 'resting' rooms for deep-clean in between guests
- Sanitizing stations available for guests in public spaces and hand-washing reminders
- Regular briefings to our in-house team on the COVID-19 situation
- Consultation of local and international public health authorities (World Health Organization, Centers of Disease Control & Prevention, Malaysia Ministry of Health) on preventative measures and hygiene protocols

Our team has also been trained on safe and correct usage of hospital grade disinfections and pay utmost attention to ensuring all surfaces, from door handles down to pens and hangers, are well cleaned, frequently.

We will also be maintaining records of where our guests have travelled to, and where they will be going next.
