

CHEONG FATT TZE  
THE QING SUITES

THE QING BAR

## THE QING BAR

The Qing Bar is a quiet sanctuary where history and craftsmanship converge in every pour.

Inspired by Cheong Fatt Tze's legacy, always bridging East and West, balancing heritage and modernity, here, the curation highlights a concise collection of refined spirits, handpicked to resonate with our story.

Each bottle is chosen with intention, from the timeless allure of Chinese baijiu and plum wines, to the proud craft of Malaysian distillers, and rare whiskies and gins from across Asia. Together, they form a compelling journey, honouring the Mansion's roots while celebrating modern expression.

Each glass is a bridge: between the past and present, East and West, Penang and the World.

Cheong Fatt Tze was, by disposition, a bridge-builder. This pillar honours that outward gaze with a careful selection from Japan, Korea and Southeast Asia: Japanese whiskies that read like fine timberwork; tea gins that reframe botanicals as subtle architecture; a premium soju and regional rum that nod to centuries of trade through the Straits.
